KEY BENEFITS

Hydrating and regenerating action. Evens out skin tone and conceals imperfections. Gives the skin a radiant look.

KEY INGREDIENTS

Plant-based glycerin - protects the skin and maintains its proper hydration.
Candelilla wax - wax from the leaves of spurge (Euphorbia Cerifera) - cares for, smooths, and moisturizes the skin.
Argan oil - rich in natural antioxidants, regenerates, hydrates, and protects the skin.

HOW TO USE

For a light and natural coverage effect, apply the foundation with your fingers; more intense and even coverage can be achieved by applying the foundation with a sponge or brush. To achieve a matte skin effect and set your makeup, apply Felicea Natural Powder over the foundation.

NATURAL MASCARA

The bottle and cap are crafted from recycled plastic. The applicator and brush are made from bioplastic, a material strikingly similar to conventional plastic but produced from plants. This design aligns with the philosophy of:

#lesswaste

KEY BENEFITS

The mascara lengthens and thickens lashes. It is long-lasting, does not flake, and does not smudge on the eyelid. It contains numerous natural ingredients responsible for lash care and regeneration

KEY INGREDIENTS

Widelash - a combination of natural peptides and provitamin B5. Their lash-thickening, strengthening, and lengthening effects have been confirmed in studies.

Mung bean and red clover sprout extract regulates hair follicle cycles, thereby inhibiting lash loss.

Castor oil darkens, thickens, and lengthens lashes

INNOVATIVE APPLICATOR

The practical applicator is equipped with a single row of longer fibers that allow for precise lash separation. Apply the mascara from the base of the lashes upwards. Then, apply the remaining mascara on the brush to your lower lashes. Repeat the action twice.

ANTI-AGING LIP SERUM

Eco-friendly packaging crafted from eco-plastic with added rice bran, designed in line with the philosophy:

#lesswaste

KEY BENEFITS

Rejuvenating and regenerating action. Visibly smooths, hydrates, and nourishes the lips. Reduces the appearance of wrinkles and improves skin's look.

KEY INGREDIENTS

SWT-7™ - a natural raw material, demonstrates strong anti-wrinkle action.
Castor oil - regenerates the skin.
Sweet almond oil - hydrates and smooths the lips.
Jojoba oil - contains valuable antioxidants that slow down the skin aging processes

HOW TO USE

Apply the cosmetic to the lips and lip area at least twice a day for approximately 28 days and observe with your own eyes the effects of the natural oil: reduction in the appearance of wrinkles, clear smoothing, hydration, and nourishment of the delicate skin of and around the lips. Use day or night, depending on individual preferences, as many times as needed.

KEY BENEFITS

The cosmetic regenerates and leaves them visibly hydrated. Application is easy, and the lip gloss stays on the lips for a long time. Choose from six universal shades that enhance the natural color of your lips.

KEY INGREDIENTS

Castor oil effectively nourishes and smooths the delicate skin of the lips.
Plant oils are a rich source of EFAs (Essential Fatty Acids), which are responsible for epidermal regeneration.
Candelilla wax cares for the epidermis, nourishing and smoothing it.
Vitamin E soothes minor irritations and accelerates epidermal regeneration.
Mineral mica leaves a subtle, pearlescent shimmer.

HOW TO USE

Apply the lip gloss evenly to the lips; for a more intense effect, apply a second layer.

Vegan

KEY BENEFITS

An easy-to-use palette that contains bronzer, highlighter, and blush—everything you need to achieve perfect facial contouring. Contouring allows you to give your face an ideal shape, optically slim it, and highlight selected features.

KEY INGREDIENTS

The silky, **mineral-rich formula** has been enriched with natural, **certified emollients** that give the cosmetics a delicate consistency, facilitate their application, and additionally protect the facial skin. Richness of minerals such as **mica, silica, and colorful pigments**.

HOW TO USE

Apply the cosmetics individually to highlight selected areas of the face or use all of them to perfectly sculpt your features. Use bronzer to contour the oval of the face and cheekbones. Apply blush to the central part of the cheek, and highlighter to the tops of the cheekbones. All colors can also be applied to the entire body. Apply with a medium, fluffy brush.

KEY BENEFITS

Universal, neutral shades inspired by earthy colors suitable for every occasion.

KEY INGREDIENTS

The **mineral-rich**, silky formula allows for easy application and blending of shadows, while **natural certified emollients** care for the delicate eyelid skin.

HOW TO USE

Use light shades to brighten and highlight the eye, in the inner corner of the eye and under the brow bone. Medium shades work well in the crease of the eyelid to add definition. Use the darkest shade to emphasize the outer corner of the eye and the waterline. All shades can be applied wet or dry. For applying shadows, use a flat brush; for blending transitions between colors and diffusing, use a fluffy brush.

KEY BENEFITS

The easy-to-apply formula hydrates and nourishes the skin, evening out the skin tone. The powder reduces the appearance of wrinkles, discolorations, and imperfections. Unique formula enriched with a ceramide complex strengthens and smooths the skin, while the innovative anti-blue light barrier protects the complexion from harmful radiation and provides anti-aging effects.

KEY INGREDIENTS

The cosmetic contains **Ceralink+®**, a unique complex combining the power of three ceramides, including omega 6 acid obtained from safflower flower. This ingredient penetrates deep into the skin, contributing to improving its condition.

Radicare®-Gold was developed based on algae. Its positive effect is owed, among others, to beta-carotene and lutein. It strengthens the skin's hydrolipid barrier and effectively protects it from blue light. As a result, the complex can slow down aging processes.

HOW TO USE

Apply the powder directly to properly hydrated skin, using your favorite cream, or over a previously applied Felicea natural foundation. When evenly applied, the powder conceals skin imperfections, lightly mattifies it, and evens out the skin tone.

FIND YOUR PERFECT SHADE

NATURALNY BRONZER

Eco-friendly packaging made from paper, designed in line with the philosophy:

#lesswaste

#555
TERRA BRONZE

KEY BENEFITS

The cosmetic stays on the face effectively. Its velvety, satin texture facilitates application and ensures it spreads evenly on the skin. It has concealing and blemish-masking properties, and thanks to natural particles, it gently illuminates the complexion.

KEY INGREDIENTS

Kaolin - a delicate clay, contains many microelements (silicon, aluminum, iron, magnesium, zinc, and calcium) and mineral salts. It absorbs sebum, and aluminum causes pore tightening.

Bamboo extract - has mattifying properties, absorbs excess sebum, smooths. The silica contained in it (up to 90%) cares for the skin. It has antibacterial and soothing effects.

Sapphire powder - moisturizes and smooths fine wrinkles

HOW TO USE

Apply bronzer to the cheekbones, jawline, and around the hairline. This way, you will optically slim your face and reduce the forehead. Spread a small amount of the cosmetic on the sides of the nose to slim it. Achieve a natural effect and carefully blend the edges of the applied bronzer so that the color transitions subtly from lighter to darker tones.

FIND YOUR PERFECT SHADE

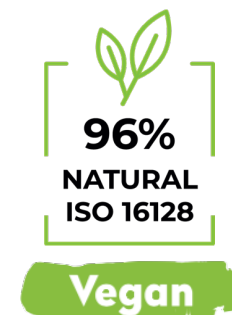

#555 TERRA BRONZE - cool brown

NATURAL BUCKWHEAT LOOSE POWDER VELVET TOUCH

Eco-friendly, mono-material packaging, made from PP, a plastic ideal for recycling, designed in line with the philosophy:

#lesswaste

KEY BENEFITS

The velvety loose powder visibly smooths the skin, imparts radiance, and leaves it soft to the touch, while ensuring a long-lasting effect and a natural, silky makeup finish.

KEY INGREDIENTS

The powder owes its caring properties to **buckwheat**, which is an effective antioxidant with anti-inflammatory properties, rich in vitamin B and minerals. The Buckwheat Powder formula has been enriched with **Ceralink+**, a unique complex combining the power of three **ceramides**, including **omega 6 acid obtained from safflower flower**, which contributes to improving skin condition by penetrating deep into the skin.

HOW TO USE

For a perfect makeup finish, apply a small amount of powder with a brush to the face and blend as desired. Thanks to its easy application and blending, the powder perfectly melts into the skin, ensuring comfortable daily use.

KEY BENEFITS

Blush perfectly absorbs sebum and diffuses light, thereby optically reducing wrinkles. This makes minor skin imperfections cease to be visible. Felicea Natural Blush contains ruby powder, which nourishes the facial skin and gently illuminates it, making the complexion look radiant and fresh

KEY INGREDIENTS

Kaolin - a delicate clay, contains many microelements (silicon, aluminum, iron, magnesium, zinc, and calcium) and mineral salts. It absorbs sebum, aluminum causes pore tightening.

Bamboo extract - has mattifying properties, absorbs excess sebum, smooths. The silica contained in it (up to 90%) cares for the skin. It has antibacterial and soothing effects.

Ruby powder - illuminates and cares for the complexion

HOW TO USE

Apply blush to the central part of the cheeks. The application of blush can be gradually built up by gently blending its edges, or intensified by applying a double layer of the product. The cosmetic also works perfectly for popular face contouring.

FIND YOUR PERFECT SHADE

6 1
GRAPHITE

6 2
DARK BROWN

6 3
BLACK DIAMOND

KEY BENEFITS

Felicea's natural, soft eye pencil was created based on natural ingredients. This is exceptionally important because the cosmetic has direct contact with the delicate skin around the eyes. The makeup lasts for many hours; it is a long-lasting eye pencil. Its smudge-proof formula allows you to enjoy flawless makeup. The cosmetic is efficient, so it will last a long time.

KEY INGREDIENTS

Castor oil - oil from the seeds of the common castor bean - a key ingredient in Felicea cosmetics, it has emollient and protective effects, softening, nourishing, and smoothing. It naturally supports hair growth.

Candelilla wax - wax from the leaves of spurge, which cares for the skin.

HOW TO USE

With a firm but gentle motion, draw a line with the Felicea pencil along the lash line, in the inner corner of the eye, or on the waterline. The soft eye pencil allows for an ideal effect after just the first application. How to enlarge eyes? Blend the pencil immediately after application. The cosmetic is highly pigmented, so it lasts long on the eyelid and does not smudge.

FIND YOUR PERFECT SHADE

#61 graphite - gray, an ideal color for daily makeup.

#63 black diamond - deep black.

NATURAL LIP LINER

Long-lasting and flawless lip makeup.

KEY BENEFITS

The lip liner perfectly defines the shape of the lips. It serves as a base for lipstick or lip gloss and extends their longevity. It can also be used as a standalone makeup cosmetic. The lip pencil formula was created based on beneficial natural ingredients, which is why the cosmetic effectively softens, cares for, and visibly smooths the delicate skin.

KEY INGREDIENTS

Castor oil - Oil from the seeds of the common castor bean - a key ingredient in Felicea cosmetics, it has emollient and protective effects, thereby softening, nourishing, and smoothing. It naturally supports hair growth.

Hydrogenated vegetable oil - a natural emollient. It smooths, softens, and protects the skin from excessive water loss.

Candelilla wax - wax from the leaves of spurge, which cares for the skin.

Effectively conceals skin imperfections.

4 1
LIGHT SAND

4 2
WARM SAND

4 3
GOLD SAND

KEY BENEFITS

It provides adequate coverage and reduces discolorations, has a pleasant soft consistency, which makes it very easy to apply to the skin and is efficient. It clearly cares for and hydrates the skin, unifies its tone. The concealer does not dry out the skin.

KEY INGREDIENTS

Castor oil - oil from the seeds of the common castor bean - a key ingredient in Felicea cosmetics, it has emollient and protective effects, thereby softening, nourishing, and smoothing the epidermis.

Hydrogenated Vegetable Oil - Essential Fatty Acids (EFAs) contained in vegetable oils create a protective barrier and regenerate the epidermis. Furthermore, they prevent water loss, thus inhibiting skin aging processes

HOW TO USE

The concealer is ideal for covering skin imperfections. Thanks to its hydrating properties, the concealer also works well under the eyes. To achieve ideal coverage, apply the concealer over Felicea Foundation; cover imperfections with the concealer and then gently blend it so that it mixes with the foundation.

FIND YOUR PERFECT SHADE

#41 light sand - for fair complexions, untanned skin, for individuals with a cool beauty type, ideal for redness.

#42 warm sand - for olive complexions, conceals under-eye circles.

ZINCK SUN STICK SPF 30

Effectively protects against the harmful effects of sun rays all year round. The product is intended for lips, face, and the entire body. For adults and children aged 3 and up.

KEY BENEFITS

Effective sun protection in a convenient stick form. The natural sun protection stick with a high SPF 30 filter provides an adequate barrier against harmful UV radiation. As a result, the cosmetic protects the skin from the unpleasant effects of sun exposure. Moreover, the formula is waterproof, which makes it perfect for use during bathing as well.

KEY INGREDIENTS

The base for the cosmetic consists of **hydrogenated vegetable oils**, which create an occlusive layer on the body. As a result, they prevent water loss, thereby providing adequate hydration to the skin. The key ingredient that provides effective protection against UV radiation is **zinc oxide**. Consequently, the cosmetic acts as a natural sunscreen that additionally moisturizes and protects the skin from other external factors such as wind or frost.

HOW TO USE

Evenly spread a thick layer of the stick on your lips, cheeks, forehead, nose, and shoulders. Use it at any time of the year and as often as needed.

LUSH LIPS OVERNIGHT MASK

The glass jar, utilizing only the essential amount of plastic, was designed in line with the philosophy:

#lesswaste

KEY BENEFITS

Feel the magic of the Felicea Natural Ritual with the Night Lip Mask – a velvety elixir that provides maximum comfort and safety for your lips. After just the first application, lips become instantly hydrated, moisturized, wonderfully soft, and smooth to the touch. Regular use intensely nourishes and reduces dry cuticles, restoring full radiance and a healthy appearance to the lips.

KEY INGREDIENTS

Jojoba oil – called liquid gold, is a plant wax with a chemical composition similar to human sebum, which makes it perfectly tolerated by the skin, even sensitive skin, forming a protective layer on it.

Sweet almond oil – rich in fatty acids, such as oleic and linoleic, intensely hydrates and cares for the skin.

Shea butter – esters from shea butter are a wonderful emollient that intensely hydrates and conditions the skin, creating a protective film on it.

HOW TO USE

Apply a generous layer of the mask to the lips before bedtime. Leave on for at least 15 minutes, or ideally overnight, so that the active ingredients can fully work. In the morning, if needed, gently remove any excess with a tissue or cotton pad. For lips requiring strong regeneration: Use twice daily. For daily care: Use once a day, preferably at night

NATURAL REGENERATING OIL

The glass bottle, utilizing only the essential amount of plastic, was designed in line with the philosophy:

#lesswaste

Vegan

KEY BENEFITS

Effectively hydrates and regenerates the epidermis with frequent hand washing and disinfection. The formula spreads easily and absorbs well. Hand care is a pure pleasure, as frequent application does not interfere with daily activities. 100% of respondents confirm: The oil is ideal for cracked and dry hand skin after frequent disinfection.

KEY INGREDIENTS

- Grape seed oil** - rich in EFAs, strongly regenerates and softens dry epidermis.
- Sweet almond oil** - a natural emollient, hydrates and smooths hands.
- Castor oil** - soothes irritated skin. Liquid shea butter hydrates and regenerates.
- Cottonseed oil** - improves the condition of the epidermis and nourishes it. Sunflower seed oil strengthens and smooths the skin.
- Bergamot oil** - smells beautiful.

HOW TO USE

Apply a few drops of the oil to dry skin and spread until completely absorbed. For best protection, repeat after each hand wash and disinfection. This is hand care and body skin regeneration for the demanding.

NATURAL CLEANSER OIL

The glass bottle, utilizing only the essential amount of plastic, was designed in line with the philosophy:

#lesswaste

Vegan

KEY BENEFITS

Perfectly removes makeup and cleanses delicate facial skin. Natural makeup remover oils effectively care for the complexion. The cosmetic has an efficient formula, gentle on the skin. The natural oils contained in the cosmetic not only cleanse the complexion but also have a beneficial effect on facial skin.

KEY INGREDIENTS

- Grape seed oil** - rich in EFAs, is a natural antioxidant that effectively slows down skin aging processes.
- Almond oil** replenishes deficiencies of antioxidants, minerals, vitamins, and lipids, essential for skin health and beauty.
- Castor oil** soothes and regenerates irritated skin.
- Shea butter** restores its elasticity.
- Cottonseed oil** supports regeneration and improves the condition of the epidermis, nourishing and hydrating it.
- Sunflower seed oil** protects the complexion from the harmful effects of free radicals.

HOW TO USE

Apply the oil to moistened skin and gently massage the skin in circular motions from the forehead through the cheeks, down to the nose area and chin. Then, place a warm, water-soaked towel on the complexion, which will facilitate the absorption of the oil into deeper layers of the skin. Repeat the action, then gently wipe off any excess oil. Finally, rinse the towel in cold water and subtly wipe your face with it to close skin pores.
