

LEBELAGE

LEBELAGE, derived from French, means "youth" — it was created to protect the youth and beauty of women.

LEBELAGE

MISSION

To inspire conscious skincare and educate on how to combine elements of Asian beauty rituals with everyday routines. Building confidence through a space where knowledge, cosmetics, and individual needs become the foundation of daily harmony.

VISION

To bring together people of all ages, inspiring them to care for themselves and discover the natural beauty of their skin in the spirit of Korean skincare. To offer carefully selected products and a short, high-quality ritual that creates harmony and balance.

The formula, enriched with **collagen, hyaluronic acid, niacinamide**, and luxurious ingredients such as **snail slime** and **gold**, regenerates the skin, **improves elasticity**, and reduces the appearance of wrinkles. SPF 50+ PA+++ **creams provide moisturizing, anti-inflammatory, and smoothing effects**, leaving the skin healthy, smooth, and glow.

CLEANSING FOAM

LEBELAGE COLLAGEN REGENERATION/ALOE SOOTHING CLEANSING FOAM

Gentle cleansing foams, available in collagen and aloe versions, ideal for skin in need of **regeneration, hydration, and soothing**. The collagen formula supports **skin repair, improves elasticity, and helps prevent signs of aging**, while the aloe version **soothes, reduces irritation, and provides intense hydration**.

These foams effectively remove impurities, dead skin cells, and excess sebum, leaving the skin **smooth, refreshed, and free from dryness**. Their gentle nature makes them suitable for daily use, including on sensitive skin.

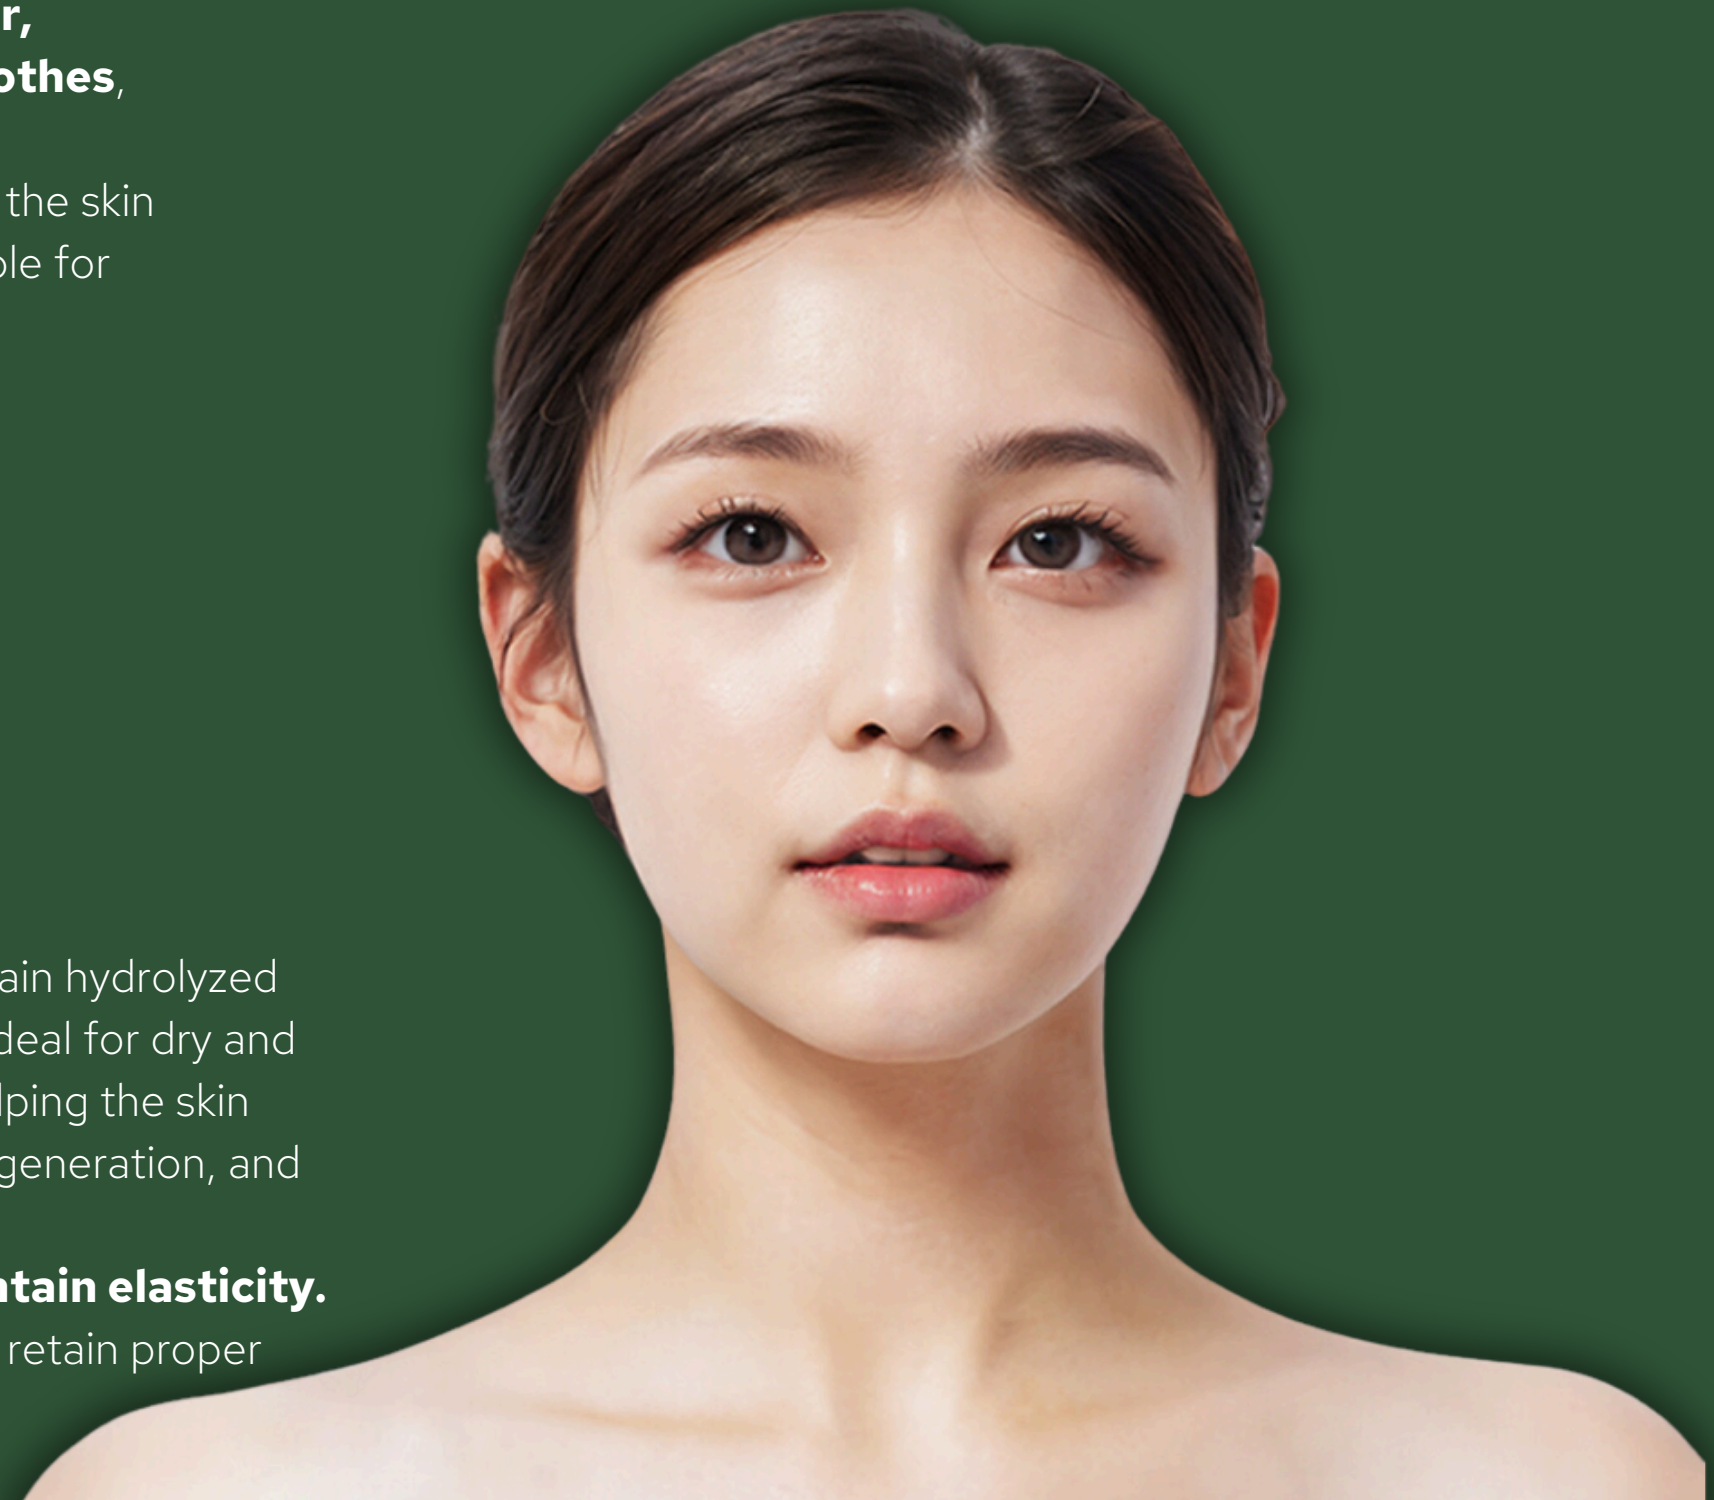

LEBELAGE MOISTURE ALOE/VITAMIN/COLLAGEN SOOTHING GEL

Body gels that intensely **hydrate** the skin, leaving it smooth and nourished. They contain hydrolyzed **collagen**, which supports skin **regeneration, improves elasticity and firmness**. Ideal for dry and sensitive skin, these products have **soothing, calming, and nourishing effects**, helping the skin regain a healthy appearance. Aloe vera hydrates, soothes irritation, accelerates skin regeneration, and nourishes thanks to its vitamins and minerals.

Vitamins protect the skin from free radicals, **support regeneration, and help maintain elasticity**. Collagen **strengthens skin firmness and elasticity, smooths the skin**, and helps retain proper hydration.

BODY GELS
