CACTUS SOOTHING GEL

WHAT'S THIS?

Cactus is also called the 'better' aloe. Cactus is far more soothing due to its **hydrating, anti-inflammatory, refreshing and calming** compounds, all while promoting **healthy skin rejuvenation**. Making up 95% of the ingredient list, cactus alone is strong enough to **nurture and soothe the skin**.

Ways of Use:

- Cool down face and body after a long day in the sun, ocean, or pool.
- Nourish facial skin after wearing heavy makeup for a long time.
- Apply on hair as a natural, nutritious hair gel.
- Apply a generous amount on face, neck, and chest to use as a wash-off mask.

SHORT: A refreshing and soothing non-oily multi-purpose gel made of Cactus.

How To Use

- STEP 1** - Apply a generous amount onto face, body, or hair.
- STEP 2** - Massage gently for ideal absorption.

WHAT'S INSIDE?

PALM CACTUS EXTRACT: Moisturizing, healing, soothing, nourishing, anti-aging and so much more.

CACTUS CREAM

WHAT'S THIS?

Achieve **deep hydration and natural healing** with the power-combination of **70% soothing Cactus Extract** and **moisturizing Panthenol**.

Panthenol, a well-known substance in moisturizing products, turns into **Vitamin B5** when being applied, **creating a moisture barrier to promote extremely effective, deep hydration**. It also stimulates the skin's natural healing processes, resulting in a **smooth and healthy complexion**.

All ingredients are **derived from natural sources**, providing **irritation-free** moisture to dry and sensitive skin.

SHORT: A deeply hydrating and healing cream infused with Cactus.

How To Use

STEP 1 - As the last step of your skincare routine, scoop out a generous amount and apply onto your skin.

STEP 2 - Gently massage, spread, and absorb.

WHAT'S INSIDE?

PALM CACTUS EXTRACT: Moisturizing, healing, soothing, nourishing, anti-aging and so much more.

PANTHENOL: Deep hydration, skin barrier improving, and soothing.
